Each day that you make a purchase over \$20, you can drop your name into the drawing. ## SKILL SERIES SAMPLER

Each month, we present a new skill and you can practice that skill on a sampler block. You can attend just the classes that you need or would enjoy. As your stack of sampler blocks grows, so will your skills and confidence.

\*Class #9-Diamonds-LeMoyné Star will be Tuesday, May 5th from 6:30—9:30 pm OR Wednesday, May 6th from 10:30 am—1:30 pm.

\*Class #15—Hand Piecing will be Monday, May 11th from 10:30 am—1:30 pm.

\*Class #10—Foundation Piecing-Pineapple Block will be Tuesday, June 2nd from 6:30-9:30 pm OR Wednesday, June 3rd from 10:30 am—1:30 pm.

\*Class #16-Working with wedge shapes-Dresden Plate will be Monday, June 8th from 10:30 am—1:30 pm.

\*Class #11—Machine Applique will be Wednesday, July 1st from 10:30 am—1:30 pm or Tuesday, July 7th from 6:30—9:30 pm.

## APPLIQUE GROUP

Many of you have been asking for more appliqué opportunities. We have formed a new appliqué stitching group. The group will meet on the first Friday of each month from 10:30 am—1:30 pm. While this is not a beginning appliqué class, if you have taken an appliqué class or done a little bit of appliqué, it is a great venue to work on projects, to share tips and techniques, and to enjoy the company of other quilters. There is no charge for this stitching group—just bring your projects and have fun.

## QUILT FINISHERS

The 2009 finishers are already off to a good start with 76 finished projects reported so far this year. The Quilt Finishers meet together for show-and-tell of our finished projects and to continue to work on getting those UFO's (unfinished fabric objects) done. The group meets from 10 am—2 pm on the third Friday of every month. Cost to join is \$10 for the entire year. You can join at any time.

\*Any quilted object is eligible

\*Finished is bound and labeled

\*Projects started at any time are eligible, but they must be completed in 2009.

\*If you quilt for others, no client quilts

You will put your name into a drawing for every project you finish. The club will run throughout 2009, and we will hold the drawing party in January of next year. We will provide a wide variety of prizes. Of course, the real prize is getting those projects done and sharing the accomplishment with other quilters.

## PIGS ROAST SATURDAY, JUNE 27TH

PIGS stands for "Projects in Grocery Sacks," and we all have them. Set aside this day to work on one of the projects that you have in progress or on your "someday" list. Bring your project in a grocery sack (paper or plastic), and get a coupon good for \$5 off any purchase you make that day (minimum \$5 of course).

The cost for the day is \$20 and that includes lunch. This is going to be a fun and exciting day. What could be better than getting away from the distractions at home and spending a day sewing with quilting friends? Sign up early to reserve your spot.

*We offer a **frequent shopper card** that is good for \$20 off after you reach \$200 in purchases. The only exclusions are sales tax, gift certificates, classes, and discounted items. Be sure to turn in your printed cards to switch to our automated tracking system.*

*Discounts cannot be combined. When multiple discounts are involved (ex. Sale fabric & a birthday discount), then you would get the greater of the two.*

*We offer a birthday discount good for half of your age. For example, 52 years of age would get 26% off. The discount is good 1 week before to 1 week after your birthday, and you must announce your birthday before your sale is complete.*

**FAT QUARTER DAY 3RD SATURDAY OF EACH MONTH-Fat Quarters \$1.75-regularly \$2.75**

**KILL THE BOLT SALE**—on the first Saturday of every month, buy all remaining fabric on any bolt and receive 25% off of that bolt.

## JO'S LITTLE WOMEN CLUB

Each month we will meet together to work on one doll sized quilt made from Jo Morton's Civil War reproduction fabrics. At the start of the club, you will purchase a punch-card for 24 fat quarters. You can select your fat quarters from any of the Jo Morton fabric lines, and you can select all of them at the beginning or a few at a time. The fat quarters will be used to make all of the blocks in the series of quilts, so you will only need to purchase additional fabric for your borders, backing, and binding.

Because these are a manageable size, they are a great way to try out new techniques, and you will probably find that you can get these finished more easily than a full sized quilt. These make a lovely display hung together on a wall. Many of the participants from previous years of this club are either hanging a group together or using them as table toppers or gifts.

The cost of the club is \$85.62 for which you get 24 fat quarters, six Jo Morton patterns, and six workshop sessions.

The club members will meet on the third Monday of each month from 10 am—1 pm. The meetings are a fun time to show off your finished top from the prior month and to begin work on the current month. The best part is seeing the different fabric and color choices. If you can't attend one of the meetings, you can pick up the pattern at the shop anytime during the month.

## STRIP CLUB 4TH SATURDAY

We have had great response to our strip club quilts this past year. For those of you who haven't discovered this yet, strip club features quilts made using 2 1/2" strips. Because the strips are pre-cut, these quilts are usually fast and fun to make. This year, we will debut the quilt on the fourth Saturday of each month. If you come to the shop on the fourth Saturday, you can see the quilt and purchase the strip set for that quilt for \$35. After the fourth Saturday, any remaining strips from that quilt will be available for purchase for \$40, so you can save \$5 by visiting us on Strip Club day. You can choose to make just the quilts that you like—there is no ongoing obligation.

The May strip club quilt will be read, white, and blue. You should have time to get this top done before the fourth of July! Saturday, May 23rd.

The June strip club will feature bright colors. Saturday, June 27th.

The July strip club to be announced. Saturday, July 25th.

## CLASS POLICIES

We greatly appreciate our class teachers who so generously share their time and talents. To be fair to our teachers, we have the following class policies:

- \*Class fees are due when you register.
- \*Your cancellation of a class with less than 1 week's notice will result in forfeiture of the class fee.
- \*If you cannot attend a class for a documented emergency (doctor's note, funeral program, police report, etc.), then you will be issued a store credit for use in a future class.
